

## ENVIRONMENTAL POLICY STATEMENT

SEQ Onsite Services Pty Ltd takes seriously our responsibility to care for and protect the environment in which we operate. We are fully committed to improving environmental performance across all of our business activities, and will encourage our business partners and members of the wider community to share that commitment.

SEQ Onsite Services Pty Ltd recognizes our key impacts to be in the areas of waste, raw material use, and CO2 emissions.

We will:

- Adopt the highest environmental standards in all areas of operations to ensure we meet or exceed all relevant legislative requirements.
- Minimise waste through efficient use of all materials and inputs.
- Prevent pollution.
- Only use sustainable or recycled products where possible.
- Provide environmental training and education to all employees.
- Encourage employee involvement.
- Reduce risks from environmental, health or safety hazards for employees and others in the vicinity of our operations.
- Adopt an environmentally sound transport strategy.
- Include environmental considerations in all investment decisions.
- Achieve continual improvement by ongoing assessment of the environmental impact of all our operations.

SEQ Onsite Services annually reviews all environmental action plans to ensure we continue to be at the forefront of environmental compliance. We aim to maintain a standard of environmental management above that our competitors.
